

Veera Tuomainen

EDUCATION

ICT Engineering

Tampere University of Applied Sciences
Predicted graduation year 2026

WORK EXPERIENCE

Cashier

Lidl Suomi Ky
May 2023 - August 2023

- Working for Lidl, I got to work in many different work tasks. I learned endurance, stress management and customer service skills.

Waitress

CaterMate Oy
June 2022 - August 2022

- At CaterMate's orientation days and job gigs, I have worked in small teams with co-workers and representatives of different companies. This is why I have learned to work with different kinds of people in a team.

Cashier

Pirkanmaan Osuuskauppa, S-market Ruovesi
June 2021 - August 2021

- I learned important customer service skills because the job orientation was very focused on customer satisfaction and I was in contact with customers every day.

Market salesman

SH Media
June 2020 - August 2020

- I sold vegetables and berries. I mostly worked alone at my workstation, so I had complete responsibility of the workstation and the cash box. I learned to work independently and take responsibility.
